## Description:

(Piano/Vocal/Guitar Artist Songbook). VH1 sent ballots to over 700 musicians, songwriters, disc jockeys and radio programmers and asked them to vote on the 100 greatest songs of rock and roll. The results were shown in a much-publicized feature, and selections from that show are here in this awesome collection of the best and most influential rock songs of all time! Songs are arranged by their ranking with artists listed, and include: All Along the Watchtower \* American Pie \* Blowin' in the Wind \* Born to Run \* California Dreamin' \* Fire and Rain \* Good Vibrations \* Hey Jude \* Hotel California \* I Heard It Through the Grapevine \* Imagine \* In the Midnight Hour \* Jump \* Layla \* Light My Fire \* Like a Rolling Stone \* London Calling \* Louie, Louie \* Maggie May \* My Generation \* No Woman No Cry \* Proud Mary \* Respect \* Roxanne \* Smells like

Teen Spirit \* Stand by Me \* Start Me Up \* Tangled Up in Blue \* Walk This Way \* We Are the Champions \* Wild Thing \* Yesterday \* and more.

This is okay. It is hard to make a decent piano version of Heartbreak Hotel and no one really wants to play this or the twist or several other guitar only songs (Tangled up in Blue). Some of versions that were originally piano songs are subpar as well, like Piano Man. There are a few gems in there, such as all of the Beach Boys songs, Bruce Springsteen songs, and Bridge Over Troubled Waters. You might want to find rock songs that are geared towards the piano instead of rockabilly songs that just sound cheesy on the keyboard.
